ITF Umpire Rules - Rules and Regulations
Appendix 5 – Sponsorship / Advertising Approval
In force as of January 1st, 2015 (Amended Dec 14, 2014)
(Pages 1-5)

OVERVIEW

These regulations are made pursuant to Article T6 of the official ITF World Junior & Senior Tournament Rules, the ITF World Cup Rules, and the ITF Umpire Rules – Rules and Regulations - Appendix 2 – Approved Clothing. Of specific note is the following clause:

Appendix 2 – Approved Clothing.

2. **Sponsorship:** Competitors are permitted to display personal sponsors' logos, according to the following criteria:

1. Total area of sponsorship must measure no greater than 8cm wide by 5cm high
2. Located on the left (L) sleeve. Positioned on the outside of the arm, between the elbow and shoulder.
3. Any sponsor logo or image must be in good taste and must be approved by the ITF Umpire Committee.

Competitors, teams and delegations participating in ITF World Championship and World Cup competitions must comply with these regulations. It is recommended that National Governing Bodies and/or Allied National Associations seeking clarification of any of the regulations do so by referring to the specific rules of competition.

We would encourage National Governing Bodies and/or Allied National Associations to seek clarification at the earliest possible time, in relation to designs, content or nature of sponsorship/advertising from the ITF Umpire Committee. National Governing Bodies and/or Allied National Associations are reminded to ensure compliance with these regulations prior to commencing the manufacturing or screening process.

Heads of Delegations for each National Governing Bodies and/or Allied National Associations are REQUIRED to submit an ASSURANCE OF ADHERENCE for each sponsor to be represented on their teams'/competitors' doboks, clothing and equipment, guaranteeing the Sponsor and all associated images, logos, word marks and text does adhere strictly to, and meets the requirements of, Appendix 4 – Sponsorship Approval. The responsibility of compliance rests solely on the National Governing Body and/or Allied Association.

Approval for each sponsorship/advertising is not necessary, as the ASSURANCE OF ADHERENCE is the guarantee of the National Governing Body and/or Allied National Association that said sponsorship/advertising is indeed in compliance. Only in the event of questionable sponsorship/advertising will formal approval from the ITF Umpire Committee be required.

The ITF Umpire Committee reserves the right to inspect any and all sponsorship/advertising on doboks, clothing and or equipment for compliance at any time during, and at any venue of the event, and to approve or disallow any sponsorship/advertising for non-compliance at any time.

All decisions made by the International Taekwon-Do Federation Umpire Committee in these regards shall be final and binding.
