DEFINITIONS

In interpreting this ITF Electoral Code (the “Code”), all terms defined within the Definitions section of the ITF Statutes in force and all terms whose meaning can be derived within the context of the ITF Statutes shall have the same meaning within this Code, unless the context in this Code indicates otherwise.

For the purposes of this Code, and provided the context so permits:

- (a) the singular shall include the plural and vice-versa;
- (b) the feminine gender shall include the masculine and vice-versa; and
- (c) references to natural persons shall include any legal person or corporation.

PRELIMINARY CHAPTER

1. Scope of Application

- 1.1 Pursuant to Article 27.1 of the ITF Statutes, this Code is applicable to the elections to the ITF Board of Directors.

2. General Principles

- 2.1 The democratic principles of separation of powers, transparency and publication of the ITF electoral process must be always observed and without exception during any electoral process.
- 2.2 Pursuant to the fundamental principles set out in Articles 3.2 and 3.6 of the ITF Statutes, the ITF is neutral in matters of politics and shall manage its affairs independently and with no influence from third parties. Interference of any kind by any government of any Member Association or by any third party in the ITF electoral process is not permitted. For the avoidance of doubt, local and national government rules in any territory regarding elections shall not apply to the ITF electoral process.
- 2.3 Any breach of the abovementioned principles shall be reported immediately in writing to the ITF Electoral Committee.
- 2.4 The elected members of the ITF Board of Directors shall continue to exercise their functions until the completion of the electoral process. The newly elected ITF Board of Directors shall start to exercise their functions immediately after the completion of the electoral process.

CHAPTER ONE: ITF ELECTORAL COMMITTEE

3. ITF Electoral Committee

a) Composition

- 3.1 The ITF Committee shall be composed of the following members as at the date of the convocation of the ITF elections:
- Chairperson of the Do and Ethics Committee; - Chairperson
 - Chairperson of the Disciplinary Committee; - Deputy Chairperson and
 - Chairperson of the Audit, Risk and Compliance Committee - Member

If at the day of the elections any of the positions of the three abovementioned officials will become vacant or in case that any of the members will not attend in person the General Assembly, for any reason whatsoever, the missing official will be substituted by the Chairperson of the Appeal Tribunal, and in case of two vacancies, the next substituting official will be the Chairperson of the Grand Master Promotion Committee. In case that such replacements will be needed the hierarchy within the committee will remain (for example, if there will be a vacancy of the Chairperson of the ITF Electoral Committee, the Chairperson of the Appeal Tribunal will be a member of the ITF

Electoral Committee as a "member" and the Deputy Chairperson will be the Acting Chairperson).

3.2 Members of the ITF Electoral Committee shall observe the utmost impartiality in the discharge of their duty.

b) Ineligibility

3.3 In the event that a member is ineligible or unwilling to carry out their duties, they must step down and must be replaced by the Deputy of the Committee or Tribunal which they chair.

3.4 In the event that the replacement is ineligible or unwilling to carry out their duties, they must step down and must be replaced by the most senior member (by time served) of the Committee for which they are Deputy.

3.5 In the event that the replacement is ineligible or unwilling to carry out their duties, they must step down and must be replaced by the next most senior member (by time served) of the Committee from which they were appointed. This process shall be continued until no eligible members exist on a specific Committee.

3.6 If no eligible members exist on a specific Committee, the ITF Board of Directors shall appoint an eligible member from the other Committees or Tribunal.

3.7 In the event that any member of the ITF Electoral Committee:

- submits a candidature for an ITF election; or
- is a relative, whether by birth or marriage, of one of the candidates; or
- has an identifiable conflict of interest (e.g. business relationship with a candidate or is of the same nationality as a candidate),

they are ineligible to sit on the ITF Electoral Committee and shall be replaced in accordance with Articles 3.3 to 3.6 of this Code.

3.8 If there is any doubt as to the eligibility of a member of the ITF Electoral Committee under this provision, the Chairperson (or, in the event that the Chairperson's eligibility is in question, a Deputy Chairperson) shall take a decision on the eligibility of the relevant member. Such decisions shall be final and binding and not appealable.

3.9 Members of the ITF Electoral Committee must officially declare their candidature for an ITF election in such a way as to allow the replacement process to be carried out without any time pressure prejudicial to the ITF electoral process.

c) Secretariat of the ITF Electoral Committee

3.10 The ITF General Counsel serves as the Secretary to the ITF Electoral Committee. He takes part in the activities of the ITF Electoral Committee in a consultative capacity and is responsible for related logistical and administrative matters.

3.11 The ITF Electoral Committee may be assisted by the ITF General Secretariat at any time provided that the individuals providing the assistance are not candidates for any ITF election and have no identifiable conflict of interest.

3.12 At the request of the ITF Electoral Committee, the General Counsel of the ITF and/or any other qualified lawyer that provides legal services to the ITF and will be asked by the General Counsel to replace him for this aim, will provide legal assistance and consultancy to the ITF Electoral Committee and their legal opinion on matters referred to them will be binding upon the ITF Electoral Committee.

4. Duties

4.1 Unless stipulated otherwise in this Code, the ITF Electoral Committee shall be responsible for the organisation, supervision, and all decisions relating to the ITF elections including without limitation:

4.2 Logistical support shall be provided by the Member Association in whose country the elective General Assembly is organized.

5. Convocation and Quorum

5.1 Only a meeting of the ITF Electoral Committee validly convoked by the Chairperson shall be authorized to deliberate and pass decisions.

5.2 A quorum is constituted by the absolute majority (i.e. two of the members) of the members of the ITF Electoral Committee. In highly exceptional circumstances, when there is an urgent need to take a decision but for any reason it will be impossible to convoke the quorum (even if applying the possibilities under Article 5.3), the

Chairperson or in his absence the Deputy Chairperson may decide to take a decision with only the other member of the Committee attending. In such circumstances the decision must be taken unanimously. Such decision will be recorded in writing explaining the grounds for the missing convocation, and in such case Article 6.1 will apply.

- 5.3 As a general rule, meetings of the ITF Electoral Committee will be conducted in person. However, with the approval of the Chairperson, meetings may be held by teleconference, by videoconference or by another means of communication.

6. Decisions

This period of six (6) months (or five (5) months in exceptional circumstances) provides enough time to the Member Associations to decide on the nomination of its respective candidate so that the member Association will be able to submit the nomination of its candidate within the deadline of four (4) months pursuant to Articles 34.7 and 34.8 of the ITF Statutes.

16.7 The voting delegate of the Member Association deposits their ballot paper in the ballot box, signs the electoral register, and returns to their seat.
