The evaluation of each competitor's level of disability will be carried out by the Inclusion Committee. All participants must undergo an evaluation committee review, presenting their medical fitness certificate for the competition, clearly indicating their disability status and degree.

Additionally, the Unique Disability Certificate (CUD) will be required. The final admission and classification of each competitor will be determined by Mrs. Anabel Vicario, and this decision will be final and irrevocable.

The CUD must be sent via email to anabelvicario76@hotmail.com.ar, indicating the corresponding registration number.

This edition will feature Individual Patterns, covering categories from 4th Gup to 4th Dan. The age divisions will be:

- **Pre-Junior** → born in 2011 – 2013
- **Junior** → born in 2008 – 2010
- **Adult** → born in 1990 – 2007
- **Senior** → born in 1980 – 1989
- **Veteran** → 1979 or before

After the registration, the categories are split into different belt categories and the different degrees of disability. In the case of less than 4 competitors in a category, the categories can be merged.

The competition will be overseen by a special team of certified Adaptive Taekwon-Do referees, led by Grand Master Abelardo Benzaquén, Chairman of the Umpire Committee and Sbn Anabel Vicario Chairman of the Inclusion Committee.

We are confident that this event, which allows athletes with disabilities to showcase their talent and spirit on an international stage, will become a standard in our community.
